**DAYS
OF
PRAYER**

Parenting is a holy calling.

Over the next **21 days**, you as a **parent**, have the opportunity to **spiritually disciple** your **children in prayer**. **Don't miss it!** I know how hard it can be to have slow, unhurried, intentional moments with your children. Family life can move at the speed of light, whereas family impact can seem fleeting. Sports, playdates, travel, attitudes, and careers fill more hours than are given.

With life as it is, often there is very little time left to be still and hear God's voice. **We lose connection with the God of creation, and the source of our hope and strength.** We simply cannot thrive without answering Christ's invitation for an engaging relationship with Him.

Revelation 3:20 ESV, "*Behold, I stand at the door and knock, if anyone hears my voice and opens the door, I will come in to him and eat with him, and he with me.*"

So, as you embark on this journey with your children, I implore you to press pause on the extracurriculars of life and lean into the holy work of prayer. I know we, as parents, want nothing more for our children than to adopt, build, and utilize these healthy habits that are essential to their spiritual foundation. I've included a sticker chart on the last page of this packet to encourage the healthy habit of prayer. As your children complete their sticker chart each week, cascade them with praise! **My prayer for your family is that you are transformed and marked by the power and presence of God through prayer.** I cannot wait to see what God will do in our church and families over the next 21 days! **It is truly a joy and pleasure to partner with you as you lead your children in their relationship with Christ.**

Blessings,

Jordan King
Children's Ministry Director
