VISION SUNDAY

"LOYAL TO THE FUTURE"

Thank you for taking a moment to allow me to share with you some exciting steps we're taking as a church to better reach and equip the next generation. **As you know, we are experiencing incredible growth at Christ Covenant as God continues to bless His church and grow our numbers.**

This is especially felt in our Children's Ministry classrooms. To put it simply, we are running out of room. And so because of this we're excited to add children's ministry in both services starting Sunday, September 19th. This will help in the short term - but the reality is - we believe it won't take long to fill up that service too.

Now, with all that said, there's a solution right above us. **We have about 7,000 sq. ft. upstairs that we could renovate to use for our elementary students on Sundays and then continue to use for teenagers on Wednesday nights.** This would allow us to use more of the downstairs classrooms for nursery and preschool rooms as we continue to grow.

And so on Sunday, October 10th we're believing God to raise \$35,000 above and beyond the tithe to renovate these next generation areas. In addition, because we have lived beneath our means as a church and have zero debt - we will be able to invest an additional \$35,000 out of our reserves to total \$70,000. With God's help, our goal would then be to finish the renovations by the beginning of the new year.

Thank you in advance for prayerfully considering partnering with us to better reach and equip the next generation. We couldn't do this without you, nor would we want to.

Loyal to the future,

Pastor Ryan Weems
